Supplier Registration: Key Terms Definition

Key Term	Definition
US Domestic Third party	Supplier is based in the U.S. providing goods / services to IPG
Foreign Supplier	Supplier is based outside of the U.S providing goods / services to IPG; undergoes Comply Tax review
US Domestic Individual Person	Supplier is an individual person providing goods / services to IPG and using a social security # (SSN); Worker Classification is required and may be eligible to be set up as a temp employee of the Agency instead of as a Supplier
Supplier Registration	IPG leverages the SAP Ariba Network to onboard new suppliers. Suppliers will provide key information such as bank info, tax IDs, diversity classification, etc. to register as a supplier with IPG
Comply	Foreign suppliers registering to become a supplier with IPG will undergo this tax process. When the supplier receives an email to register with IPG, directions will be provided to complete and upload their W-8 form while registering
Category Classification	The category/-ies best associated with the product / service the supplier is providing to IPG
Diversity Certificates / Certifications	Suppliers may hold certifications related to diversity classifications. If applicable, the supplier will receive separate certificate questionnaires (one per certification) to complete. This process will not delay the registration process

Scenarios

The supplier contact will receive an email notification, inviting them to register on the Ariba Network – the supplier-side of the portal. If you already have an Ariba Network account with other customers that use Ariba, follow these steps to log in with existing credentials.

- 1 **The supplier will receive an email notification, requesting them to sign up or log in to the Ariba Network.** The system generated email will be sent from IPG Corporate.

Click on the [Click Here](#) link in the email.

- ? **NOTE:** To access training and support materials, paste the provided link into your browser to access IPG documentation.
- ? **NOTE:** For **foreign suppliers located outside the US**, complete the **Comply tax process**. The W-8 attachment will be required as you complete the Registration form in Ariba.

Register as a supplier with [US17-US84] - FutureBrand New York

Hello John Doe!

You have been invited to register as a supplier with [US17-US84] - FutureBrand New York, a division of Interpublic Group (<https://www.interpublic.com/our-companies/>).

If you have previously done business with the Interpublic Group of Companies or its subsidiaries, you should have received an email prior to this invitation with instructions for validating and updating the existing information on file.

Please follow below steps to complete the Supplier Registration Process:

- 1 [Click Here](#) to access the Ariba system. Follow the instructions to either **Sign Up** to create a new account with the Ariba Network, or **Log In** if you already have an existing Ariba account and will sign in using your existing Ariba Network credentials (username and password).

There is no charge to create your account and registration is required in order to be set up as a supplier in our financial system.

- You will be prompted to complete our **IPG Standard External Registration Questionnaire**.
- You can select **Save draft** if you need to come back at a later time.
- Once you have completed the form, select **Submit Entire Response**.

Chrome is the recommended browser for accessing Ariba

? **For suppliers located outside the United States Only:**

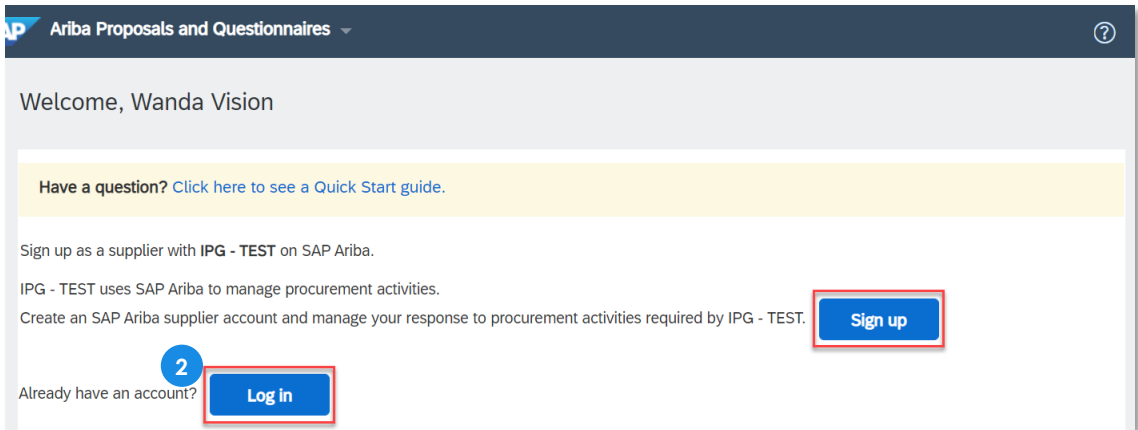

Please utilize the below information for U.S. tax purposes **before** completing the **IPG Standard External Registration Questionnaire** steps outlined above. This information will be required as part of the form.

IPG is required by US law to obtain this documentation prior to making certain payments, including payments to a foreign entity or individual. We provide a service through Comply to help you determine your status for U.S. tax purposes, enabling us to fulfill our payment responsibilities as efficiently and accurately as possible.

1. You will need to log in to a secure certification website using the username and password below. The website will guide you step by step through the process and generate a form for electronic signature.
